EVIE

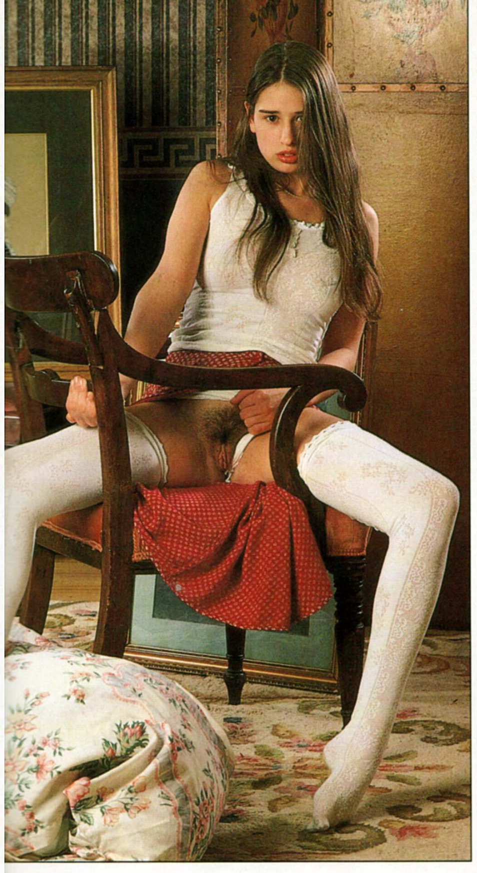
PHOTOGRAPHS
BY
JACK HARRISON

"Size isn't everything. Technique is far more important," proclaims 18-year-old Evie, our *Mayfair* regular. And she should know. Sex-mad Evie takes time out every weekend to practise her ball-handling skills.

"Basket ball's brilliant!" she giggles. "I don't go just to play though. All through the game I'm begging for full time so we can spend extra time in the showers. America's got the Dream Team, we're the Steam Team. One girl soaps my boobs while a naked man rubs my pussy into a lather before diving in to lick me clean. No wonder he's our top shooter — he scores me every week!" Ⓜ

JESSICA

PHOTOGRAPHS
BY
GEOFF HOWES



Jessica Bradshaw is an old-fashioned sort of girl. She likes the quiet life: no night clubs, no big drinking binges, no three-in-a-bed sex sessions... "Hey, I didn't say anything about threesomes!" exclaims the soft-spoken 20-year-old. "I might not be one for a night on the tiles, but I love a good night on my back. I've never had two guys at once, but if the opportunity came my way I'd be off with my panties before you could say 'One dick in my pussy and the other in my mouth!'" Blimey, I think we've seen the last of old-fashioned Jessica. She's a sex maniac! Ⓜ

Putting other beach bums in the shade is bathing babe Karina. But while exposing her buns to the sun gave this new nude an all over tan, staying in Rio had its downside. So what stopped the fun in the sun?

"The men covered up their assets!" moans the waitress from Solihull. "There I was baring all, but the men kept their bits hidden in horrid baggy shorts. I was hot and sticky between the legs and dying to get my hands on a big cock but sizing up the situation was tricky. In the end I had to grab a pair of shorts and hope *it* wasn't. Luckily, I caught a big one." Ⓜ

FRENCH FANCY

I cannot thank you enough for revealing the gorgeous Sandrine in her little French maid's outfit (Vol 30 No 4). I nearly creamed my jeans after just one look at her trim pussy and wonderful boobs. I'd love to practise my French on her. Unfortunately, I haven't quite mastered the gallic tongue yet but I'm sure this blonde babe would give me a fair crack at it. Together I'm sure we would learn the language of love, or, at least, the language of a bloody good shag.

I'll start by teasing her lovely tits until her splendid nipples jut out in appreciation, before licking slowly down her body towards her juicy pussy. Using quick flicks of my tongue, I'll soon delight Sandrine by opening her channel tunnel. Unlike those troublesome trains, we'll go from 0-sexty in a hurry. Then I'll give Sandrine an eyeful of my tower by getting my cock out and shagging her until French and English relations reach an all time high.

So please, I implore you, show more of sexy Sandrine and help my member of the European Community get closer to this tasty French fancy. – Jerry, Redditch

FEISTY FOUR-PLAY

After a few mediocre shags recently it has come as a big surprise to find two girls who love sex — and plenty of it. I first met Kim and Cynthia at work. I'd always fancied Kim; she's 22, tall, with a lovely figure and large tits, and I hoped that the yearly piss-up would give me a chance to size up her assets. On the other hand, Cynthia, although not exactly hideous, lacks Kim's more obvious charms.

On the night of the company bash everyone got as drunk as possible, and when it reached midnight, I had to drag my mate, Luke, away before he collapsed. Cynthia and Kim staggered out after us, into the rain so I pretended to be chivalrous and offered to take them back in a taxi.

On reaching my flat, I thought quickly. "Wouldn't it be easier if you stayed over at my place?" I suggested, hoping that if I supplied the bed, they'd supply the breakfast. Kim and Cynthia agreed. Unluckily for me, Luke sized up the situation and grabbed Kim. He practically threw her onto my sofa and they started kissing, his hands roaming over her tits. Typical, he was going to shag the babe of the office while I was lumbered with plain, old Cynthia. Or so I thought.

As soon as I joined her in the kitchen, making coffee, she pinned me against the fridge, and snogged me passionately. I let my hands wander over her boobs, and she unzipped my trousers and reached inside.

"Cynthia!" I gasped. "I thought you were a nice girl."

"You got that wrong," she said, reaching for my cock. She pulled it free of my trousers and started to jerk me off. Her hands slid up and down my cock and her nails lightly brushed my helmet. It felt

Since Katie Shaw's first appearance in *Mayfair* as our innocent little Girl Next Door (Vol 29 No 4), the tempting temp has undergone a huge transformation. "Eighteen months ago I was always the type of girl who waits for the man to make all the moves in bed," says the pretty 20-year-old. "Now, the PVC boot is on the other foot! I've found out exactly what turns me on and all those little places where I like to be licked. I've gained so much confidence. All I need now is a bloke who can keep up with me!" Ⓜ

FROM FUSSY TO HUSSY

After six years with my girlfriend Patsy, who's a lovely girl but quite ordinary, I've just found out that she's a secret sex-siren. And I found out by over hearing a conversation in the local squash club, of all places.

There I was, quietly supping a pint in the corner behind an overgrown plant, when in walked a chap called Mike along with his friend Pete. Mike is regarded as the club playboy and is forever regaling us with stories about his latest conquests. When they sat down on the next table, I started to listen in and realised Mike was telling one of his saucy stories.

"Picture this," said Mike, with a quick swig of his beer, "there she was with her tits hanging out and flapping all over the place. Her skirt was up past her waist and her knickers down by her ankles. She was bent over the kitchen table, begging me to shag her. And there was me thinking she was uptight. All she wanted was a dirty shag. I'd known she liked giving blow jobs 'cos she'd given me a good one several years back, and she loved me ramming my cock up her."

It was a typical Mike story. In the past I had doubted how much was fact and so had Patsy. In fact, she was amazed so many women could fall for such a sleazy character. Then I got a nasty shock.

"Hey!" said Mike, "I did tell you it was Brian's stuck up girl, Patsy, didn't I? I reckon he's not

NATASHA

Natasha's trip to a posh gentlemen's club didn't go quite to plan. "There I was sitting quietly by the bar when this guy comes up to me," says the knickerless 19-year-old. "He asked me if I wanted a drink. I thought that would be nice and he got me a glass of wine. He was very sweet to me and even offered to take me for a holiday on his private yacht."

Sounds promising... "Yes, I thought my luck was in, especially when he put his hand on my thigh. As he began stroking me higher towards my crotch I got more and more excited. So I undid my flies and guided his fingers towards my pussy. Then suddenly he stopped."

Someone had found you out? "Well, you could say that. He jumped up from his chair and said 'You're a bloody woman!' I had to go to the loo to finish myself off with my own fingers."

You know what they say. There's nowt so queer as folk.

HEY

Football and fashion. Two words that go together like, well, skunk and deodorant, speeding and Skoda, shaving gel and David Bellamy. Despite the fact that Ian Wright was recently spotted on *The Clothes Show*, Gary Lineker returned from Japan with a suitcase full of Issey Miyake jackets and Italian designers are queuing up to use Milan full-back Paulo Maldini; the bulk of football remains rooted in a parallel fashion universe. This is an enclosed anti-style zone governed by its own peculiar laws and trends, where a sudden fad for goatee beards spreads faster than athlete's foot. A world of *Question of Sport* knitwear, over-elaborate suits and ties so loud wearing them near an airport is a criminal offence. Like country and western singers, the players command a huge and loyal audience but does anyone really want to dress like them?

The genesis of football's flirtation with haute couture lies in the abolition of

Rachel Smith-Edwards has just turned 21. But rather than the key to the door, one admirer gave her the ignition keys to a shiny black Porsche. "I couldn't believe my eyes," gushes the top-heavy wonder-model. "It was parked right outside my flat so I jumped in and took it for a ride around the block. When I put my foot down it was like having a huge orgasm..."

Though a lot quicker, we'll bet!

rehearsed the new chants. Out went 'Come on you Reds'. In came 'Come on you red with white pin-stripe, contra-shadowed halves with a little manufacturer's emblem running up and down the sides'.

In response to this tasteless explosion in the clothes they were forced to wear, players' personal fashions went haywire too. Think Kevin Keegan, think bubble perm, think Chris Waddle running down the wing at White Hart Lane with what appeared to a hedgehog strapped to his head.

"Think Kevin Keegan, think sad bubble perm"

Nowadays some people would have us believe that football has put this history of bad taste behind it. As the game increasingly becomes a magnet for trendies, these same trendies are desperate to believe that the sorry days of Emlyn Hughes and snorkel parkas have gone, never to return. They point to stylish Eric Cantona's little round sunglasses, Ryan Giggs' leather jackets and the fact that less and less players have been spotted wearing diamond-pattern jumpers recently.

Those of us who worry that the game is being hijacked by alien forces can take comfort, however, from recent events that prove that the style legacy of Charlie George and Frank Worthington is being kept alive. Barry Venison recently turned up on *Grandstand* wearing a Versace jacket incorporating so many contrasting checks it made you go cross-eyed just to look at it. Unabashed he then proudly displayed the rest of his wardrobe to a teenage footy mag. John Barnes, meanwhile, appeared on *Match of the Day* in a jacket and waistcoat that set Alan Hansen chuckling like a chipmunk. I'm not sure where the designer got the material for this monstrosity from, but my guess is that when the beach attendants in Brighton start to get ready for the summer they'll find some of their deck chair covers are missing. With men like these still around you can rest assured that the traditional relationship between footie and fashion is in safe hands. Ⓜ

Making it into the centre pages of *Mayfair* is a dream come true for stunning Sam McVie. "It's my lucky year!" says our Brighton-born babe. "First I got bedded by a bloke who looked like Keanu Reeves, then I won ten quid on the Lottery and now I'm the star of a sexy magazine. The only thing that could top this is a man with a ten inch tongue! I love a guy to go down on me. The feeling of teeth teasing my clitty and a tongue gliding in and out of my slick hole is my idea of heaven..."

like she'd had plenty of practise as she wanked me with smooth, precise strokes. I slipped my hand under her blouse and onto her bare breasts.

"Take me," said Cynthia, "I want to feel you inside me." She pulled down my trousers and I reached up her skirt and started to rub her clit through her knickers. She moaned, and I slid her knickers down then thrust up her wet pussy. Cynthia snogged me hard as I plunged my cock into her. Her pussy felt so good. It was tight, warm and wet and surrounded my cock as I fucked Cynthia until she shivered and came. With one last thrust I shot my load deep inside her.

We got dressed in a hurry and slipped into the bedroom. Cynthia sat on the bed, and I kneeled down and started to lick her out. She was moaning softly under my active tongue, and after a few minutes we stretched out on the bed in a 69.

Then Luke and Kim entered, heading for the bathroom. They left the bathroom door ajar, and I watched Luke and Kim as they stripped off, gasping when I saw Kim's curvy body. Luke switched on the shower, pulling Kim close. He started to lick her bare boobs and then moved down to her bush. He said something and she nodded. Kim got out of the shower and sat on the edge of the bath with legs spread to reveal a very hairy pussy. Luke moved back into view, clutching a razor and some shaving foam.

I was so excited by now that I moved Cynthia onto her back and thrust my throbbing cock deep inside her pussy. As we started to fuck, I had the perfect view of Kim's snatch. Luke rubbed a generous portion of shaving foam into Kim's bush and shaved her with quick, clean strokes. Kim's pussy was soaking wet and not from the shaving cream. I thrust into Cynthia harder now and started to play with her lovely tits as I saw Luke open Kim's legs and start to tongue her deeply. She threw her head back and came. I was so horny that I increased the pace, fucking Cynthia for all I was worth.

Luke stood up, pushed

Leaving two girls together in the Publisher's new book-lined study was bound to lead to a novel experience. "We went round looking for all the dirty bits in every book," says Shanine. "But all we could come up with was a copy of *Lady Chatterly's Lover* and a dog-eared edition of *Fanny Hill*."

"Yeah," chimes in Russian-born Lana, "there wasn't a single Jackie Collins or Molly Parkin to toss off over, so we had to make do with each other. I licked Shanine's tits while she fingered my pussy, so I was well-thumbed even if the books weren't!"

"It was only when we took our torrid little love session to the bedroom that we finally found the mucky books we were after," adds Shanine. "We should have known he'd keep his old copies of *Mayfair* under the bed!"

the 60s most men would have killed for a fling with Brigitte Bardot. Sadly, those that did discovered that when it came to love, the pouting gallic goddess preferred donkeys. "Unlike men they give me affection and want nothing in return," she supposedly sniffed to a lover who fancied something tastier than a nosebag of pony nuts.

That other icon of sexual freedom still lusted after today, the air hostess, is another disappointment. From *Airport* to the memoirs of George Best, the image of jet travel is one of saucy glamour and a quick shag against the sink in the lavs. In truth, these women are a fearsome breed with fixed smiles, short tempers and make-up so thick they have to crack it off with a toffee hammer. Spending a night with one is hellish. I know, I've done it. They keep waking you up every half-hour to present you with complimentary peanuts. And don't forget to duck after you've enquired about the whereabouts of the loo. Air hostesses can't give directions without waving both arms about. Getting in the way of a full down-the-centre-aisle-and-second-door-on-the-left manoeuvre is like being assaulted by Jean-Claude van Damme.

Even more hard work is dating an actress. You'd think that going out with the likes of Pamela Anderson or Elizabeth Hurley would be a sure-fire route to sex-heaven. And it is, up to a point. But, generally, thesps are the pits. They can't perform without an audience. If an actress ever invites you to spend an afternoon romping in a romantic place she's found in the West End, prepare to bare your bum in Selfridges.

The really terrible thing about actresses is that they're desperate for publicity. The minute an affair ends, their agents are straight on the phone to the tabloids. Prepare to choke on your toast on a Sunday morning as TV star Candice tells the *News of the Screws*: "Will was a nice guy but his manhood was the size of a cocktail gerkhin, his bum looked like cottage cheese and being kissed by him was about as sexy as being force-fed a cactus."

Women you should never date – the list gets longer and longer. Forget smug schoolteachers who talk to you as if you were five ("I'm afraid we're not at home to Mr Randy today, William). Spurn laundry women who talk dirty but won't deliver. Remember that sales reps are sad, most chefs are mad and most barmaids are Australian (actually, that could be a plus).

In fact, my research suggests there aren't really a lot of babes you should bed. Better to stay in and watch the boxing really. Still, there's several professions I've not yet shagged my way through. Tonight I'm on a mission to bed an estate agent. Yes, she may well be greedy, shifty and two-faced, but one thing's for certain – she can't complain when I exaggerate about size. Ⓜ

Our monthly round-up of the glitz, tits and sexy bits that are making the headlines...

FOR FROCK'S SAKE!

Hot couture! High-heeled hussies strutted down the catwalk recently to celebrate the bare-faced cheek of London Fashion Week. Designs from David Fielder were barely there with sheer delights in the figure-hugging form of skimpy, see-through dresses. With frocks to shock and tubes for boobs, megababe models nipped out for a quick one or two at aftershow parties, many still undressed to thrill in the latest high-passion clobber. Also letting it all hang out was Michiko Koshino with a series of botty-baring bumsters. Sadly, with the unpredictable British weather, we're unlikely to see hot buns toasting in the sun on the streets this summer. What a bummer!

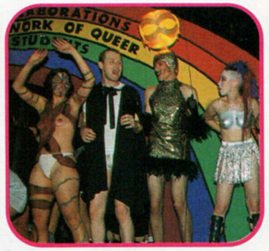
TITS OUT AND PROUD

Things have been looking up down under with the 18th Sydney Gay and Lesbian Mardi Gras Parade. The thigh was the limit as over 150,000 people, including dykes on bikes and hot-butted sluts, flooded the streets. Raunchy revellers had a ball in a variety of bizarre costumes. Naughty nurses romped with Marie Antoinette, and Good Queen Bess had hands-on experience of a babe sprayed from head to foot in gold paint. A hard time was had by all and the organisers say they'll be going one wetter next year!



CRAZY HORSE

SATIN SEX

Mayfair model Diana who was bent on sex as our cheeky cover girl (Vol 30 No 2) has continued to shine. The glamour girl from Beckenham popped out to display her assets and show off the latest thigh fashion dresses in *Sunday*, the *News of the World*'s weekend magazine. Dirty Diana shone in satin and glittered in gauze, her nipples poking hard at a selection of transparent tops, before proving she's glove sexy with a pair of kinky full-length evening mits. Clearly a model meagababe, Diana's flash of flesh reveals once again she's sheer sex. Ⓜ

HOGAN'S HEROES

Madonna posing in Cannes, Kim Wilde popping out in San Remo; you've seen the photos now meet the photographer. Britain's premier papparazzi, Dave Hogan, gives the low-down on snapping the highlife to Babs Hall

Madonna: more late nights than Tina Turner?

Michael Jackson: like a big kid?

“In 1985 I was hit by Madonna's car. Most of the papers ran the headline ‘Maimed by Madonna’ and suddenly I became an expert on Madonna because I'd been run over by her, y'know. I was interviewed on Wogan and Breakfast TV.

What happened was I got a tip-off that Madonna was coming in from the Berlin Film Festival. There were too many press and too many security guys, pushing and shoving, and it all got a bit out of hand. A couple of security guards picked me up and threw me, and I hit Madonna's car. My foot got caught in the wheel and I got dragged off down the road. It was all very dramatic. I looked like I'd bee taken out by a Mafia hit man.”

Just one of the hazards of the job for photographer to the stars, professional camera-clutcher, Dave Hogan. A cheery bloke in his early thirties who currently works for *The Sun*, over the past fifteen years he's pointed his lens at all the top stars, partied with Sylvester Stallone and more recently, meditated with Janet Jackson. It's not all, though. Possibly eve worse than being run over by Madonna, Dave's copy of *Viz* was nicked. By David Bowie.

“I was called up to do Bowie's tour,” grins Dave. “I was in Japan at the time ar the record company flew me first class to Canada for the start of the tour. I was sitting down one day with the rest of the crew, in a train travelling across Canada, reading *Viz*. David Bowie came up, sat down next to me and said ‘Give me that’. He was avidly reading it for ages and cha ting away, so I got my camera out and to a picture.

“Like Bowie, most stars are okay about having their photo taken. I get treated we and I see the world too. I've been paid to go to Colarado, Aspen, New York, Las Vegas and Hollywood to photograph people like Arnold Schwarzenegger, Bruce Willis, Demi Moore, Don Johnson and Melanie Griffiths. And I've just come bac from Australia where I was covering the Janet Jackson tour. I got backstage and photographed Kylie meeting Janet, and Janet putting her make-up on and medita ing. When Sylvester Stallone had a hous warming party in Miami, I was invited. It was the kind of party where there's wall-t wall celebrities, and I was actually broug into that inner sanctuary. I became accepted, almost like part of the furniture, because these stars realise that I can give them publicity around the world.”

Not all famous faces are so obliging about being snapped. Some don't like the idea at all. These are the celebs who develop steely scowls and fists of iron on spotting a zoom lens. Dave has encountered several stars who weren't exactly snap-happy.

“I've photographed Madonna a few times back stage at her shows. There was never any problem. The trouble only really began when Sean Penn came on the scene, and he hated photographers. I remember one particular scene that was disgusting. He and Madonna had rented a house, and all the photographers were staking it out, waiting to see if they would go jogging or whatever. Sean Penn marched out wearing a balaclava and tracksuit, walked over to a photographer's car, and knocked on the window. When the photographer wound it down, Sean Penn gobbed in his face. That could have been me.”

Luckily most stars don't go quite that far. Take camera shy George Michael for example.

“He is the biggest fucking pain to try and photograph!” exclaims Dave. “He never used to be. In the early days, the Wham! days, I used to get phone calls from his publicity people all the time. ‘George has lost his voice. He's going to write a little note to his fans. Could you go round and photograph him?’ I'd go round, say ‘Hello George’ and he'd be quite friendly. I've got all these pics of him at home in his dressing gown, showing his knobbly knees and hairy legs. Then real stardom came and it was dark-glasses-and-head-down time. He turns up at something now, in his leather jacket and baseball hat, looking serious. He'll be photographed but nobody really gives a toss any more, and that's obviously what he wants. He wants to be taken seriously.

“Some stars who you might think would be tricky to photograph, I've had no problem with.

I've met Michael Jackson, not recently, back in the early 80s. I was at a music awards show and he only had one bodyguard with him so I went up and said ‘Can I do some pictures of you?’. He looked scared, almost like he was looking for somewhere to hide. His ▶

Natural Born Passion Killers

Blind dates, bad dates, bored dates; our hapless correspondent Will Wray has tried the lot. For those still seeking their perfect babe, he presents a quick run-down of women to avoid

In my time I've had more bad dates than a short-sighted camel with no sense of smell. Being a resourceful bloke, I've turned this to my advantage. I now have a very long list of date-hell dames. Some, like Lorena Bobbitt, are obvious. Others, babes attending *Star Trek* conventions sporting prosthetic Klingon breasts, are not. But, thanks to my list of females to avoid, I can honestly say that I haven't had a bad date in over 18 months. Admittedly, the carpet in the Rover's Return was laid more recently than me, but you can't have everything.

You see, the trouble with men is we're too romantic. We never see the down side of any sexual situation. Faced with the chance of shagging a supermodel like Kate Moss, most blokes wouldn't stop to think if there'd be anything in her fridge the next morning. And breakfast TV presenters like Gaby Roslin and Anthea Turner look pretty tasty don't they? Now imagine being with someone who's that perky at six in the morning. Wahey there folks, let's have a big spotlight on Mr Grumpy.

Women in power turn some men on. There's recently been a spate of elderly public school boys confessing their passion for Lady Thatcher. One old saddo even admitted to a fantasy in which he imagined that his wife was Maggie and he was Ronald Reagan. An image that put me off sex for, oh, three minutes at least. History shows, however, that women on top should not be tampered with. Take Elizabeth I. No sooner had a bloke got within ruff-rubbing distance than he was paying a visit to the executioner. By the end of her reign the chances are that when a bloke asked Good Queen Bess if she'd like a little head, she'd reply, "Yes, please. Stick it over there with the rest of them".

Today's female leaders aren't quite that ruthless but there are still plenty of reasons why you shouldn't touch them with a six foot pole. Or even a six inch one. I once had an affair with a woman seeking selection as a parliamentary candidate. That she insisted on union jack condoms should have warned me, but the fact that she always called my dick "the honourable member for Orgasm Central" really put me off. And she could never give a straight answer. When I asked her if she wanted a shag she always wagged her finger and said, "Well, with all due respect Mr Wray, I should point out that you've enjoyed 20% more nookie under me than you did under previous girlfriends."

So political females are out. How about women journalists then? You might think from Joanna Lumley's performance as drunken nympho Patsy in *Absolutely Fabulous* that female magazine editors would be up for a quick romp. Not so. They are dangerous. Tape the words "I'd rather nail my foreskin to a revolving door" in a prominent position if any of them invite you round for dinner. But surely these women are sexy, stylish and own more free undies than is considered decent in the West Midlands? This is true. Just as it is also true that they are the only women in the country who will ask a man if he can make his column shorter and funnier. Nevertheless, there are drawbacks the size of David Mellor.

You know how women's magazines always have those articles with titles like "Kumquats. Tropical tastes to tart up your sex life"? Well, who do you think comes up with the ideas and tests them out? That's right, the editors and their boyfriends. I know this is true because I once spent a weekend away with the features editor of a magazine we'll call *Slimming and Shagging Monthly* since that's what it boiled down to. As part of her research she insisted I rub her all over every time we had sex. I'm not saying this wasn't fun. It's just that whenever I smell a cox's orange pippin I get a raging hard on.

The other big problem with female editors is that when they ask you a question they always insist on providing you with a selection of multiple choice answers. And none of them will match up with what you want to say. They say, "Will, you want to watch football. Your partner, however, thinks football is just 22 stupid men kicking a piece of leather. To resolve the situation do you a) Have an intimate discussion about your emotions, b) Rush off to fix a dripping kitchen tap, c) Say, 'Never mind the footie, darling. Let's cuddle up and watch *Sleepless in Seattle* instead'?"

"Anthea's enough for any early riser"

Strangely, they never include the final option d) Slope off down the boozer in a right sulk.

Often reality doesn't measure up to our expectations. Back in ▶

the maximum wage in the early 60s. Until that point, players had been too skint to mount raids on upmarket clothing emporia. When it came to appearance, a new club blazer every season and a patent-leather hairstyle featuring a centre parting seemingly painted on by a wandering road-marking machine, was the height of every player's ambition. Then the money rolled in...

With the new cash came a new look. George Best was the epitome of football's new sexy 60s image. Best modelled for the glossies, opened a chain of boutiques with Man City forward Mike Summerbee, and posed around his own night-club, *Slack Alice's*, like he was the vanguard of some new style 'n' soccer revolution. In the background, though, the old football values were still at work. For all his groovy image, Best was still happy to put his name to a sky-blue garment with a fitted waist and zip fasteners featuring the kind of heavy ball chain normally associated with bathroom plugs. Was this garment hip and stylish? Get real. It was an anorak for fuck's sake!

> **"Soccer and style go together like speeding and Skoda"**

By this stage things were going wrong on the field too. Shirts, once a simple thing, had fallen into the hands of sportswear manufacturers keen to exploit a captive market. Out went the classic cotton kits, in came appalling nylon confections barnacled with logos and defaced with the kind of unnecessary doodling that would earn the average seven-year-old a clip around the ear. Sure, some of the designs of this period; the Adidas stripes and Leeds United's smiley badge, have worked their way into 90s fashion. But it's unlikely Workers For Freedom will draw inspiration from the 1976 Coventry shirt-and-shorts combination that appeared to sport fallopian tubes drawn by a naughty schoolboy.

By the 80s, kit design had gone into the kind of barmy over-drive that lead to the following description of Manchester City's away shirt: 'Alternate maroon and white striped with fine blue line between, England neckline with button down neck, integral shadow diamond weave'. All over the country, confused fans ▶

Kim against the bathroom wall, and entered her wet pussy, cupping his hands around her arse, then started to pump away with deep strokes. As I fucked Cynthia, she was screamed and begged me to fuck her harder and faster. After a few minutes, I felt her tense beneath me, and she came with a short, sharp cry. I felt my spunk rising and I shot my spunk deep into her wet fanny.

We laid back on the bed and watched Kim and Luke fuck their way to a climax as loud as it was long. Then we all joined up in the bathroom for a steamy sex session. I fucked Kim in the shower, and the feeling of her shaven pussy rubbing my balls drove me wild. When Cynthia saw Kim's shaven pussy (and the effect it had on me!), she demanded I shaved and then shagged her.

I'm pleased to say that after that night Cynthia's kept her pussy shaved, and I get to check it regularly. We still work together, closer than ever before, because Cynthia and I often go to the stockroom cupboard for a sneaky shag. Sometimes Kim comes along too. It's bit of a squeeze, but that's how I like it. – Dave, Bexhill

OOH AAH, ERICA!

I'm just writing to say that I had to brace myself when I saw the latest issue of *Mayfair* (Vol 30 No 4). Why? Because inside was a beauty by the name of Erica, sporting a set of braces. And looking all the more sexy for it, I might add.

Like many red-blooded males, there is nothing I like more than seeing a girl displaying her feminine charms in traditional male clothing. Erica's braces framed her luscious breasts to perfection. I admit I got quite carried away when I saw those lovely boobs topped off with nipples that almost beg to be licked. In addition, to see her neat pussy, freshly peeled from a pair of tailored trousers, was pure joy. My cock aches to show my appreciation for this lovely girl.

Could I take this opportunity to make a suggestion? Please show greater numbers of obviously feminine girls in (and then out!) of masculine clothes. I'd love to see Erica in a top hat and tails with her boobs poking out of a flimsy blouse. Sadly, in this age of political correctedness, I cannot persuade my stunning secretary to wear a bowler hat and braces. If only she looked like Erica. Then I would have a good reason for coming in every morning. – Rupert, Bury

SHOE SHOP SEX

I'm desperate to share my high street job experiences in the hope that someone else can conform that behind the doors of the most staid shops lurks a seething den of sex! Being a shop assistant isn't the best of jobs but the perks make for it. I normally work as an industrial designer but since I was laid off a few months ago, I've had to take what I could get. And I've had plenty since I started working in this shoe shop. You can imagine the amount of stocking tops I manage to sight while helping young ladies with their selection in high heels.

The Tuesday after I started, at about half past three, a beautiful girl came into the shop. She had long hair, and wore a low cut top that encased a firm pair of tits and a very short skirt to match.

After admiring her fine figure, my cock starting to stir in appreciation. I walked over and asked if I could help. "Of course you can," she smiled, handing me a black stiletto, "I'd like to try this one." I couldn't take my eyes off her tits. They looked so firm and jiggled slightly as she spoke. Fortunately, she was too busy staring at my growing bulge to notice the way I was drooling.

I dashed into the stockroom and returned with the other stiletto. Kneeling between her legs, I placed her left foot in the shoe. Then I glanced upwards. Honestly, I was trying to look her in the face but, unfortunately, from where I was kneeling, all I could see was a wide open cunt and bare thighs peeking over two stocking tops. It was all too obvious that she wasn't wearing any panties. I wondered if she was doing it on purpose.

"Ooh, that feels good," she said, wriggling her toes around. It was clear where my attention had been drawn, and I could hardly take my eyes off her moist pussy lips. This babe seemed turned-on by my reaction. She was breathing heavily, and placed her right leg on a foot measurer. Now I could see right up her crack and it was dripping. I was speechless and stood there like a fool.

"Do you think it suits me?" she asked. I didn't know whether she was asking me about the position of her stretched fanny lips or her shoes, so

Two-and-a-half grand for a knackered old *Allegro* sounds like a rip-off to me, even if the ad says "one careful lady owner, never raced or rallied". Yet that's what someone recently paid for an *Allegro*, and he bought it precisely because it had been thrashed and trashed across a wet hillside. That and its special bored out engine with polished ports, custom pistons, twin Weber carbs and 165bhp – evidence of a season competing in the National Rally Championship. More enthusiasts are waking up to the fact that if it's action you're after, retired rally cars have got the lot. Not, of course, that the smart money's chasing old All-Aggros. Serious boy racers are rushing to track down the cream of 80s motorsport, retired Group B rally cars. Sports stars like the MG *Metro*, Lancia *Delta* and the mighty Ford *RS200*.

The 80s was a decade of excess in the world of rallying, and Group B was by far the most excessive of the lot. In a bid for Group B victory manufacturers pushed power to the limit with cars like the supercharged Lancia *Delta S4* which squeezed 600bhp from only 1.8litres. But their reign was short-lived. Several competitors died and before long the authorities took steps to ban the cars. Now these cars have been refitted and have become the hottest new collectors' toys on the road.

These cars were produced as special editions of mainstream models, and there aren't too many about. Cars like the MG *Metro 6R4*, for example, was designed by the Williams Grand Prix Team which retained the basic *Metro* look while cramming in all manner of spoilers and airscoops and one bloody big engine. Sited where the rear seat was in a regular *Metro*, the 3litre 90-degree V6 breathed through no fewer than 24 valves and produced upwards of 400bhp. Its top speed was nothing ▶

CARAVAN SERAI

"It's absolutely super," says Mike Barry of Capital Radio on the back of this Afghan restaurant's menu. More food for thought is provided by the likes of *Harpers and Queen*, *Vogue* and *The Times*, but don't let this put you off. Unlike the sorry sound advisers spouting on about the merits of Nicky Campbell on Radio One, this shameless boasting is actually justified. The food is fantastic and the atmosphere's rather pleasant too.

Decked out with fringed carpets and gilded mirrors, the *Caravan Serai* provides an oasis of tranquillity in Central London. The friendly, relaxed staff were happy to explain the menu, and assured my companion and I that the food was spicy rather than tongue-blasting. They were not wrong. Featuring large quantities of meat balanced with tomato, sultanas, saffron, coriander and pine kernals, Afghan food has a subtle kick that takes a while to register.

Wrapping my tongue around a meaty *Chopan* (£7.95) was a sheer delight. The marinated barbecued lamb served with raw onion and fried green pepper looked as fresh as it tasted. I approached the accompanying chilli and coriander sauce with trepidation, and with good reason as it was just on the edible side of hot. I sneaked a quick taste of my companion's king prawn *Shahi Korma* (£9.95). After the sensational lamb, I found this delicate dish a little bland although the side order of basmati rice with saffron *Palaw* (£2.50) was tasty enough. Quite a bargain too; the portion was huge, more than enough for two.

With the light melodies of traditional Afghan music, the atmosphere was certainly quiet. Don't expect a rowdy meal spent dashing from one stranger's knee to another, the only other diners spotted during our leisurely two and a half hour feast were parties of businessmen talking in hushed tones. All attempts to listen in were abandoned as my companion and I turned our attention to dessert. Sweets made from egg lightly fried in batter and smothered in caramel sauce provided a massive dose of sugar without being sickly. Thanks to the addition of orange peel, these authentic Afghan sweets were a refreshing end to a fine meal.

Just the place for an intimate dinner in the West End, my companion and I strolled out after this spicy feast feeling full, relaxed and happy. Both the surroundings and food were magnificent, and the house wine was surprisingly good. In fact, if part of this review should find its way onto the back of the *Caravan Serai* menu, it would be entirely deserved.

Y? PER-VEE

Up-front babes with stacks of sexy soul and rap tunes, Y? N-VEE will soon be strutting up the charts. These feisty females with daft names (Sonshine, Nic-nam, Vayne and Yesz) have already released two singles. There's another due in June and these girls have got the hit bit between their teeth. The sassy Y? N-VEE babes call themselves WANCHES. Excuse me? "WANCHES stands for 'women accepting new challenges handed each second,'" explains Nic-Nam. PUNK HUNGRY

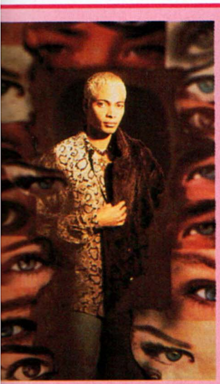
Drag out your old Seditionaries bondage trousers and giant safety pins and get stuck in with the best punk video since the *Great Rock 'n' Roll Swindle*. Back in 1978, before he started painting white stripes across his face, Adam Ant kicked off his acting career in *Jubilee* by playing a failing musician. Not much change there then. A lardy and lispy Toyah Wilcox also pops in, scowling away as a flame-haired pyromaniac. But art-film maestro Derek Jarman managed to coax brilliant performances from the pop pair, and the rest of the splendid cast. There's more than enough violence, decay and destruction too keep you occupied. Forget the flimsy plot and savour the 70s soundtrack and hordes of filthy pouting babes. Drool Britannia!

BAD VIBES



The man dubbed Terence Trout D'Arby returns armed with a *Vibrator*, his new album, but these vibes don't feel good. Terry hollers through a grim collection of guitar-laden tracks, randomly adding the odd whoop or shriek to some exceedingly trite lyrics. The song titles are painful enough (*Supermodel Sandwich*, *T.T.D's Recurring Dream*) but listening to the songs is pure purgatory. Curiously disjointed, *Vibrator* is like a dreadful jam session, and Terry can't resist wailing a series of dumb questions. "Would you be my electric preacher?" he begs in *Supermodel Sandwich* before yelping "You're so fine. What's your solar sign?" Piss-ces, Terry. As in off.

HEY BIG SPENDER

Darling budding pop star Catherine Zeta Jones, who's just released her first album, has revealed the love of her life – shopping. "I'm a passion spender," confesses Cath. "I can go for months without splashing out and then I'll go on a mad binge and spend a fortune." Like on a pair of £400 hot heels that are "so beautiful that I never dare wear them outside the house." Sadly, you can forget any ideas of wooing Cath with a free pair of thigh-high kinky boots. She's due to wed fellow actor Angus MacFayden in Summer. Bollocks! Spendthrift.

WET FOR IT!

Wet Wet Wet splash out with their new album *Picture This* featuring the classic mega-hit *Love is All Around*. Even if the album was piss poor it would still sell by the bucket-load. Aware of this, the Wets sloped into the studio and pressed the button marked 'ballad'. *Picture This* features the hit ballad *Julia Says*, the soppy ballad *After the Love Goes*, the jazz ballad *Love Is My Shepherd*... Yes it's ballad-tastic. Not that they're bad songs, there's some wonderful string arrangements, nifty harmonies, and intelligent lyrics too. With a few bouncy pop numbers this would be a fine LP, but 12 heart-wrenching declarations of lurve in a row? Lighten up, lads. There's more to life than love, like shagging in the back of cars to thrash metal, for instance.

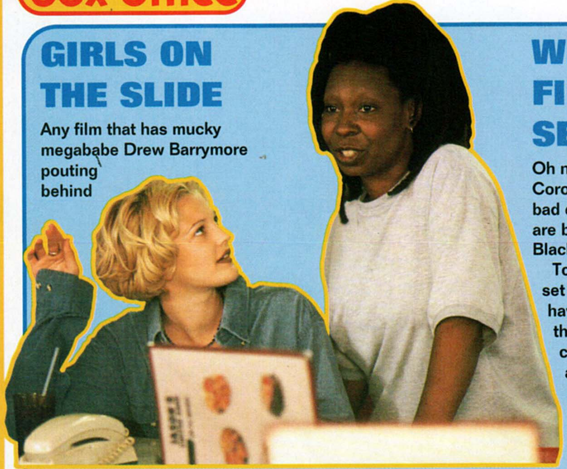
Latest pop tart to flash her flesh to save furry animals is husky-voiced lezzie Melissa Etheridge and her girlfriend Julie Cypher. The new PETA (People for the Ethical Treatment of Animals) advert, just launched in America, shows the cheeky lezzie pair in a steamy butt-naked clinch. They say they'd "rather go naked than wear fur". Given the choice, we too would rather see the lezzie sex kittens grin and bare it.

OUT OF ORDER

Bad news I'm afraid: planning to remix, reissue and refill their bank accounts over the summer are a bunch of 80s pop stars. The Pet Shop Boys will be flogging a b-sides album, followed by a live album from the 1994 *Discovery* tour where female dancers' boobs kept popping out of too-tiny PVC bras.

Also reheating old hits are New Order. The imaginatively titled *Blue Monday 1995 Remix*, featuring twiddlings by Junior Vasquez and Jam and Spoon. This will be the third time the Mancy musicians have wheeled out this particular chart classic. What's new for New Order? Ⓜ

GIRLS ON THE SLIDE



Any film that has mucky megababe Drew Barrymore pouting behind the wheel is bound to have you cranking your shaft. *Boys on the Side* has Drew moving up a gear when Whoopi Goldberg enters, playing a singing lezzie who's taken her last bite of the Big Apple. Unfortunately, there's no making Whoopi when the pair hook up, along with sultry Mary-Louise Parker, for a drive from New York to San Diego. Whoopi's just been dumped and is not in the mood for any lusty lezzie antics which is a pity because sometimes the film is in need of some action. Still, it's quiet, reflective, just the thing for a lazy evening, and Barrymore's both brilliant and babelicious. Drew's on a road to somewhere.

PLEASURE BENT

Wonderfully weird and perfectly pervy, that's *The Pleasure* (aka *Il Piacere*) from Jezebel video. This Italian feature film in English tells the incredibly odd tale of a dead mistress and her lover's desire for her lookalike daughter, Ursula, who conveniently is a sex-mad nympho. Less conveniently, her biggest turn-on is listening to recordings of her late mum making love! However, Ursula soon realises that mother's lover is obsessed with her, and she claims to be a reincarnation of mum to get her end away. Add to this an epileptic who can only be cured, it seems, by sucking bare boobs, and you have a truly bizarre bit of viewing. Stuffed with nudity and the sauciest of sex scenes, we guarantee you'll be gobsmacked!

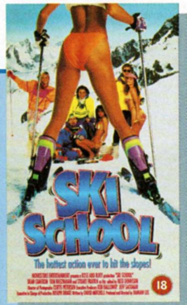
WEATHER-FIELD-ON-SEA

Oh no! As if one Coronation Street wasn't bad enough, Granada TV are building another – in Blackpool!

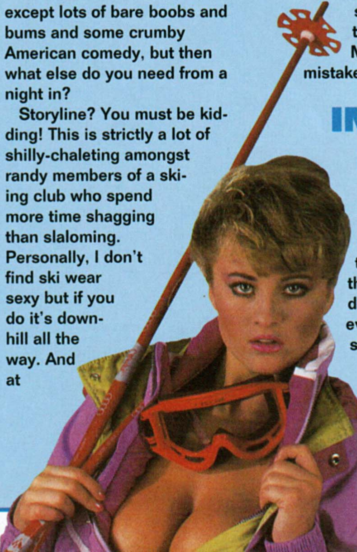
Tours of the original set in central Manchester have proved so popular that the TV company is currently constructing another full-size street on the South Shore. The Coronation Street Experience, complete with balm cakes and Betty's Hot Pot, will also feature stars from the series and a recreation of the Rovers Return pub, replacing what is at present the Promenade Showbar. Coronation Street-super-Mare is costing £4 million to build – bet that Baldwin is putting up the money!

SKI SUNDAE



Snow kidding. If your idea of fun is a video with lots of obvious ski jokes and a bit of snogging then slope off to the store for a copy of Ski School. The tape has very little to recommend it except lots of bare boobs and bums and some crumby American comedy, but then what else do you need from a night in?

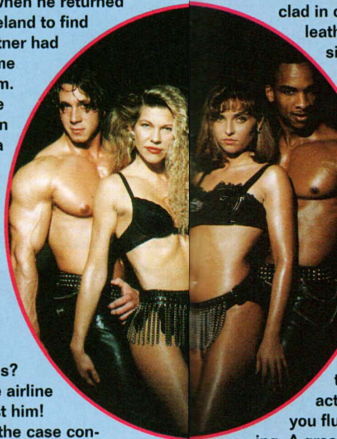
Storyline? You must be kidding! This is strictly a lot of shilly-chaleting amongst randy members of a ski-ing club who spend more time shagging than slaloming. Personally, I don't find ski wear sexy but if you do it's down-hill all the way. And at £10.99, it's a lot easier and cheaper than breaking a leg bloody trying to bonk a ski bunny at Aspen.



NO NOOKIE!

Nookie Bear, the randy teddy belonging to Roger de Courcey, went missing recently. De Courcey, fearing that Nookie had done a Stephen Fry-style disappearing act due to pressure of work, was understandably upset when he returned from Ireland to find his partner had not come with him. Had the bear run off for a perverted sex session with Orville the Duck and Cuddles? No, the airline had lost him! Sadly, the case containing the foul-mouthed stuffed toy turned up in Manchester by mistake.

IN THE CLUB



Erotica

A raunchy club act for those who like their dancing dirty, Erotica are even hotter than some of the venues they perform in. The horny act consists of two women, one blonde the other brunette, and two guys, one black, one white. The girls dress in anything from pervy PVC to saucy undies then strip to topless.

The muscle-bound men, clad in obligatory leather trousers, simulate sex with the beautiful bimbos, fondling and caressing them in a way which would make any man wish he'd learned a few dance steps at school. And the climax to the act is sure to leave you flushed and gasping. A great warm-up act for a night out, guaranteed to have you sitting uncomfortably for the rest of the evening!

LUNCH AND JUDI

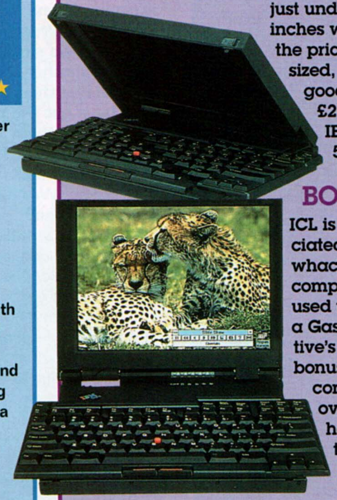
Snotty Cow of the Month Award goes to Dame Judi Dench, spotted by an aspiring actress emerging from a restaurant one lunchtime. Being a big fan, the actress rushed up to her.

"Judi Dench, isn't it?" she gushed. "I think you're brilliant. Really, you're terrific. I loved you in –"

The famous thespian glared and stopped her compliments in mid-flow.

"Dame Judi Dench," she said sternly.

IT BYTES



Monster-sized packs of steroids should really have been supplied with the first portable computers to help you lift the damn things. Over the years, though, they've got gradually lighter. The least hernia-inducing to date have been the sub-laptops. Hardly bigger than a sheet of A4 and weighing in at a puny 4.5lbs, the problem with these dinky toys is the size of the keyboard. You have more chance finding the g-spot than the letter g on many of them. Thankfully, IBM have come to the rescue with the *Thinkpad 701*. Featuring a large fold-out keyboard with letters large enough to type on without the aid of a cocktail stick, the machine comes with 4Mb of RAM and a 360Mb hard disc. Not bad for a machine that's just under ten inches wide. Sadly, the price isn't byte-sized, but it's still good value at £2835. Contact IBM on 0705 561780.

BOXED IN

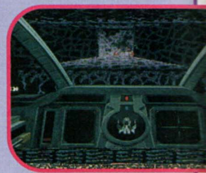
ICL is usually associated with whacking great computer boxes used to calculate a Gas chief-executive's productivity bonus. Since the company's take over by Fujitsu, however, things have started to change. Fujitsu ICL is now poised to enter the consumer market with the launch of *PCTV*. This is not a channel devoted to 24 hour Ben Elton, but a combined 14 inch flat screen TV and multi media PC. Packed into a natty charcoal-coloured box, with an integrated main processor, the only separate piece of the system is the keyboard. And with a nifty built-in trackerball instead of a mouse, that's rather good too. The PC is a 486 and comes with a CD-ROM drive, 340Mb hard disc and a sound card. There's even a pair of *Philips Power Horn* loudspeakers to blast the neighbours with. No price as yet but expect to pay around £1500. Call ICL on 01344 472129.

POWERED UP

Smart is the word of the moment, unless you're dimwit Dennis Wise, so it's no surprise to find Duracell launching a range of *Smart Rechargeable Batteries*. Supplying 20% more power than other standard rechargeables, these little beauties feature a microchip and software which measures, calculates and communicates accurate info on battery power to the host device. And the chip is actually embedded in the battery (proving that it really is chips with everything at the moment). All this techno wizardry means that an indicator on the side lets you know whether a battery needs charging before you use it. Prices vary according to battery size. Up your power and contact Duracell on 01293 517527.

MAIM OF THE GAME

Fancy flying through the air dealing pain and destruction to all who cross your path? So did my ex-wife, though sadly she chose the real thing rather than *Descent* from Interplay. *Descent* takes over from where *Doom* left off, putting you at the controls of a spaceship zipping through a 3D world to take on the Nasties. It takes a while to get the hang of it, but when you do it's time to let rip. For details Telephone Interplay on 01235 821666.



to write home about, barely 120mph, but its acceleration was astonishing: 0-60 took only 3.2 seconds and 0-100 only eight, about the same as the non-roadworthy McLaren *F1*, but today you can pick up a *6R4* for about 25 grand. That's 600 grand less than the big Mac.

The only trouble with the *6R4*, and indeed most of its rivals, is that it's very, very ugly, all speed and no style. People who watch rallies don't care too much about appearance (trainspotters get their mums to buy their anoraks, these guys actually buy their own), and apparently neither do the carbuilders. But there was one Group B exception, and that was the Ford *RS200*. Unlike the rest which, like the *6R4*, were based on existing cars, the *RS200* was designed from scratch and it shows. A purpose-built coupé of sinister bearing, it is reckoned to have cost Ford £10million to develop. Today you can get one for less than the price of a Porsche *968*.

Power to the people: you too can own a Ford RS200

The money gets you something very special. The 1.8 litre engine is a handbuilt Cosworth-Boreham BDT, the transmission was built by the all-wheel drive innovators FF Developments. And that stunning bodyshell is by Ford's styling studio, Ghia of Turin. Low slung on huge wheels, it is the quickest and quirkiest Ford yet.

But unfortunately not the most successful. The *RS200* first turned a wheel in February 1986 when it finished third in the Swedish Rally. Sadly its potential was never to be fully realised. Bad weather, bad crowd control and bad luck resulted in more than a few competitor and spectator casualties. Before long the *RS200*, and its brutal rivals, were ruled out of order and Group B expired on the spot.

Luckily, some bright spark at Ford suggested that 120 of the 150 built be stripped down, rebuilt and sold. Genius. Aston Martin Tickford were detailed to fit out the plastic bodyshell with a luxurious interior and all mod-cons. In 1985 there was nothing to match Group B. Ten years on and collectors racing to get their hands on the ultimate tough, cheap, sporty motor that combines action with exclusiveness know little has changed.

Quest

“The lezzie slut stuck her tongue up my pussy”

Name: Miss B
Age: 23
Town of Origin: Farnbrough
Other details: When this attractive secretary was seduced at work she realised her sex secret was lesbian sex and plenty of it

Quest: *Did you have a full sex life before you embarked on lesbian sex?*

Miss B: Hussy, floosie, slut, strumpet; I've been called the lot and, no, it doesn't bother me in the slightest because it's true! I wouldn't go so far as to say that I'd shag anyone but I do need lots of sex. And ever since I've started my secret lesbian affair at work, I've doubled the number of people I'd consider shagging. Besides, I love the thrill of illicit sex, sneaking off to the stock room or, better still, the boardroom for a quick lick helps my day go with a bang.

Although I'm not backwards about coming forwards when it comes to sex, I wasn't the one who made a play for Stella — she went after me. When she was brought into the firm to do a manager's job I'd had my eye on, I was a bit pissed off but she was so nice and gave me loads more responsibility than my old boss. I soon grew to like her and I admired her looks too. Stella's tall with cropped blonde hair and a curvy figure. And I know it sounds stupid, but when I kept catching her staring at me I thought she was just in a bad mood. I didn't realise she was dying to pull down my knickers and stick her tongue up my pussy.

Quest: *Did all her longing looks ever lead to anything sexual?*

Miss B: Yes, the whole matter was brought to a head when she asked me to work late on a special project. We went into the boardroom, Stella brought in coffee, and we sat chatting, listening to the sound of doors slamming as everyone left the office. It was boiling hot in the boardroom and drinking all that coffee didn't help. My face started flush. “You look hot,” said Stella. “Why don't you take your jacket off?” I did and we kept on talking. We were discussing stress in the workplace and I mentioned that my shoulders ached from typing all day. She sympathised and offered to give me a shoulder rub. Again, I didn't realise that she was using it as an excuse to get her hands on my tits.

Stella stood behind me and placed her hands on my shoulders. Slowly, she started to rub in circles, and my eyes closed as I relaxed. Her fingers moved up and started to stroke my neck. I'd completely forgotten about this so-called project we were supposed to be working on. In fact, her massage was so good that I was nearly asleep. So when her fingers started to brush over my shoulders and down towards my breasts, I just went along with it. Stella inched her fingers over my breasts, and I still didn't think she was trying to seduce me. I finally realised something was up when her fingers moved lower and casually brushed my nipples.

“Erm, Stella, what are you doing?” I asked but I didn't move away. I was enjoying myself too much. My nipples were stiffening every time she rubbed her nails across them, and I didn't want her to stop.

Quest: *Were you turned on by the way she was touching you?*

Miss B: Yes, I was. I didn't realise it until my nipples stood out. Then I noticed my pussy was juicing up and my boobs were heaving as my breathing became ragged. Stella started to tongue my ear, and I moaned, leaning against her neck and hoping she'd bite my earlobe. I'd never been seduced by a woman before, and I was curious to see what would happen next. Besides, I felt so horny that I didn't want her to stop.

Sliding her hands out from my breasts, Stella moved in front of me and kneeled down. My thighs trembled in anticipation as she placed a hand on my knee and very slowly stroked up my thigh. Her strokes got lighter and slower the nearer she got to my pussy, and I was getting wetter by the second. My thighs were still trembling and I bit my lip to stop myself crying out as she started to rub my clit through my knickers. It started to swell and I felt desperately horny. My panties were soaking wet and my pussy was longing to be filled. Stella slowly pulled my knickers down and I gasped with impatience. “Lick me,” I begged. “Please lick me, Stella.”

She smiled as I opened my legs. My pussy was dripping by now and I thrust it in Stella's face, begging her to put her tongue inside me and lick me out. She put her head between my legs and moved closer to my pussy. I could feel her hot breath on my clit and I started to shiver. For someone who hadn't even considered letting a girl go down on her, I was pretty keen on the idea. When Stella finally placed her tongue against my swollen clit and licked it eagerly, I thought I was going to come straight away. I had to bite my lip and stare at the ceiling. If Stella was going to lick me out and make me come with her tongue, there was no way I was going to waste the opportunity by climaxing instantly.

Her tongue licked along my pussy and across my clit. I opened my legs wider and raised my hips, trying to tempt her to stick her tongue up my fanny. She kept lapping at my pussy lips and I was getting increasingly frustrated there's only so much teasing a woman can take! So, I took charge, grabbed Stella by the back of her head, and demanded that she licked me out. Fortunately, she didn't think I was out to lunch and sank her tongue into my dripping pussy. It felt delicious as she licked deep inside me and I raised me hips again to feel her lips almost chewing on my pussy lips. I twisted my fingers in her hair and Stella nearly went crazy. She licked me faster and faster, my juices flowed out of my hole and over her tongue, and I started to shudder. I never guessed someone's tongue could dart in and out of my pussy so quickly, and I had to bite my lip again to stop myself coming. I couldn't hold out forever, though, and when Stella put her finger on my clit and started to rub it hard, I came, gasping with the force of my orgasm. I collapsed in the chair, panting with a mixture of ecstasy and exhaustion.

Quest: *Did you allow yourself to return this sexual favour?*

Miss B: I couldn't wait to get my hands on her pussy and finger her 'til she came but, again, Stella made me wait. She insisted we took a taxi back to her place and carried on the fun there. When we clambered into the taxi, I couldn't take my eyes off her tits, and felt wet between the legs from wondering what her pussy would taste like.

Patience has never been my strong point so, making sure the driver wasn't watching, I slid my hand up Stella's skirt. Instead of feeling knickers, something wet and warm hit my fingers. I couldn't believe my luck, and I took her clit between my fingers and started to rub it hard. Stella was flushed and trying desperately to keep a straight face. The taxi driver didn't have a clue, and the thrill of fingering another woman in public turned me on. As I slipped a finger between Stella's pussy lips and started to rub inside her fanny, I could feel my own juices dribbling down my thighs. Stella had a huge grin on her face, and I was bursting to laugh. I felt wicked and sexy, and I was dying for a shag.

Quest: *When you reached her house did you have sex with her?*

Miss B: I would have gone crazy if I hadn't! Stella led me into her bedroom, put some music on and started to strip. She had only taken off her skirt when I flung myself at her saying I couldn't wait any longer to taste her pussy. She laughed when I started to pull off her clothes until she lay naked before me. Her legs were spread, her pussy was wet and, do you know, I couldn't wait to dive in. I leaned over Stella and took one lick of her pussy. It was so juicy, and from then on I was hooked on the taste of another woman. But back then it sent me a little crazy and I was lapping away at her pussy, rolling my tongue over her swollen clit. “Harder!” Stella demanded. “I need to feel you.”

Eager to please, I pressed my tongue hard on her clit and slid it along her pussy with hard, slow licks. Then I darted inside her and flicked my tongue around her wet pussy. And when I say she was wet, I mean it. Stella was dripping. Her juices flowed over my tongue as I ate from her hole. I rolled my tongue around inside her as hard as I could until she shuddered and came, gasping with pleasure.

When she had recovered, Stella offered to fuck me with a dildo. I was intrigued but nervous. Anyway, I nodded and gave her the okay. I mean, if you don't experiment with sex, how are you going to find out what you really like? Stella dug out her dildo and, as I sat on the bed with legs apart, thrust it right up me. It filled my pussy, and she started to wank me with quick thrusts. After licking Stella out, I was so horny and dying for a quick fuck. And that's what I got.

Plunging the dildo in and out of my pussy, Stella reached to suck my nipples. Getting my pussy fucked and having my nipples sucked at the same time was amazing. Stella's tongue flicking over my nipple was sending pulses of electricity down to my pussy, my clit was throbbing and I was on the verge of an orgasm. When Stella started to rub my clit with her nail, I knew I couldn't hold back much longer. The dildo was frantically working my pussy and I exploded and came. It wasn't the best orgasm I'd ever had but it came close to it. My orgasm just kept on going, or should that be coming, and I was shaking all over with my tits slapping Stella in the face. I drew my legs up as my pussy walls clamped around the dildo then sank back, totally exhausted.

Quest: *Has your secret lesbian affair progressed since then?*

Miss B: Oh, it's brilliant. No one at work knows what the fuck's going on, and we're always sneaking off for a quick shag. I've fucked Stella in the ladies, the stock room, the conference suite; you name a room in our building and we've probably had sex there, we've even risked the lift. We were going down and I managed to make Stella come before we reached the lobby. The door opened and the accounts manager got in, his eyes popping out at the way we were giggling. If only he'd known that only a few seconds before, I had my tongue jammed up Stella's pussy, he would have had a fit. Either that or asked for an action replay. Yes, the thought that we could be caught at any minute means sex at work is fast and furious.

I'd heard the saying that no one knows better than another woman what turns a woman on, and I thought it was bollocks. Now I've met Stella, I know it's more or less true. Women take longer over foreplay and sex tends to be slower, more sensual (at least, when we're away from work!) Stella spends hours sucking my breasts and I love it. But I've not given up on men, far from it. I love cocks and I don't want to give them up, basically. But sometimes les is more. Ⓜ

Quest

Sssh! Don't tell anyone but these three sex-mad strumpets have got a saucy secret stashed away. We persuaded them to tell all, and can exclusively reveal the murky world of secret sex

"My thighs trembled against rude, wet rubber"

Name: Miss S
Age: 25 Town of Origin: Blackpool
Other Details: This demure hotel manageress kept her secrets carefully tucked away. She bought a huge collection of pervy rubber wear but never dared to reveal it to her boyfriend.

Quest: *How many items of underwear did you hide from your boyfriend?*

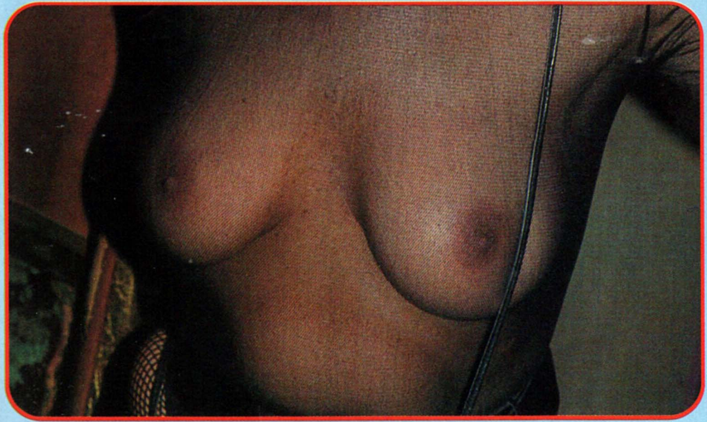
Miss S: Initially only a few, but my collection soon grew. It all started when I picked up a lingerie catalogue that had been left in one of the guests' rooms. Flicking through, I soon discovered it wasn't your average underwear catalogue. There were shiny rubber basques covered in straps, leather bras with holes for the nipples, crotchless knickers - you name it, they had it. All the women looked so sexy and confident that I started to get wet between the legs at the thought of wearing one of these creations. They were completely different to my ordinary white cotton knickers and far sexier. I knew I had to get some of these undies, but I also knew that my boyfriend, Ryan, wouldn't approve.

Quest: *But you managed to go ahead and order some in secret?*

Miss S: Yes, I made sure they were sent to the office just in case Ryan felt tempted to open my post. I suppose I was paranoid about being found out. At that point I was fairly shy, particularly about demanding what I wanted in bed, and I knew, or thought I knew, that my quiet side was what Ryan loved. Even if I'd had the nerve, I couldn't have strutted into the bedroom dressed from head to foot in rubber or he would have freaked out.

When the first parcel arrived, I couldn't wait to get home and try out the contents. And when I saw them, I was amazed. They were seriously sexy undies. I almost ripped my dress I was in such a hurry to see what these naughty undies looked like. I pulled on a black leather bra and a tiny pair of matching knickers and stared into the mirror. I looked sexy and what's more I felt sexy.

After posing in front of the mirror, admiring the way the bra pushed my breasts together to give me a seriously deep cleavage, I realised I was getting turned on. My clit felt like it was burning a hole through my knickers, and I sank back on my bed and slowly peeled them off. I closed my eyes and started to fondle my breasts with one hand while the other trailed down my stomach and inched towards my clit. I slowly circled it with one finger, and felt the burning sensation build up as I Imagined Ryan was licking across my pussy lips and over my clit. The burning sensation increased as I parted my pussy lips then slid two fingers inside. With each thrust of my hand, I got more and more carried away, raising my hips to draw my fingers inside as far as they would go. Rapidly feeling, I imagined my fingers were Ryan's cock thrusting inside me with a steady rhythm until I couldn't hold back any longer. My juices started to flow. Soon they were seeping out of my pussy and over my hand.



You know that feeling when you're just on the verge of coming but want to keep going for as long as possible? I get that every time. I prolong the pleasure by slowing down every movement until I can't take it a moment longer. Teasing myself, I pulled my fingers out of my pussy and slowly stroked upwards until my fingers were inside my bra, fondling my nipples. Leather rubbed against my fingers and I felt my clit swelling with excitement. One finger stroked the area just above my clit, gradually using slower and lighter strokes. My thighs were wet and shivering by now as I teased myself. I only had to touch my clit and I came, the orgasm making my tits shake inside my new leather bra. The feeling of leather rubbing against my nipples caused me to lose control and I came again. I hadn't enjoyed fingering myself so much for ages, and I put it down to my kinky undies.

Quest: *After this experience did you order more underwear?*

Miss S: I spent several months ordering plenty of undies. Each time the routine would be the same. The parcel arrived at work and I'd spend the rest of the day feeling damp between the legs with excitement. Rushing home, I'd try them on and finger myself until Ryan came home. Even though our sex life had become very dull (all Ryan ever did was roll on, thrust and grunt for two minutes, and fall asleep) I still imagined it was his cock filling my pussy during those hours spent wanking myself in an increasingly bizarre range of rubber costumes. Even then, I was so shy that I didn't dare tell him but I half-hoped my secret would come out, and he'd be pleased that I'd secretly turned into a pervy sex siren.

Quest *Did your boyfriend eventually discover your sexy secret?*

Miss S: Yes, he had to really. A few times I was so busy wanking that I nearly didn't hear the key in the door. I to get my finger out, strip off, shove the rubber basque and stockings, or whatever it was I was half-wearing, into the wardrobe and get dressed before he made it up the stairs. Then I'd dash to the loo ten minutes later to finish myself off. But it all came out into the open when he arrived home early one day.

Picture the scene. There's me, in a bright red bra and knickers with straps all over them, wanking away quite happily, when Ryan walked in. I hadn't heard a thing. I went as red as my knickers and stared at him in horror. As for Ryan, his mouth flew open and he started to splutter. "You look incredible," he gasped. "Really?" I gasped back. Ryan started to unbuckle his trousers. Pushing them down, I saw he had a raging hard-on and his cock-veins were throbbing. "So you're not angry?" I asked.

When Ryan clamped his mouth over mine and kissed me, curling his tongue around mine, I realised he wasn't angry, just horny. Then he started to prove it, stroking from my neck down to my breasts and undoing the bra straps. Kissing me deeply, he started to play with my breasts, feeling their weight in his hands, before stroking my nipples until they jutted out into his hands. "Lower," I murmured, daring to take the initiative for once, "Lick me all over."

Quest: *How did he respond to you suddenly taking the initiative?*

Miss S: He nodded, in fact he looked quite pleased, then he started to tease me with slow licks of his tongue. I'd discovered, largely thanks to my time spent wanking in rubber, that I loved to be teased. Teasing yourself is one thing but having someone else's tongue tease you to distraction is another - and better. Ryan's tongue seemed to take the longest and slowest possible route from my nipples to my pussy and that only made me hornier. Just as he was about to go down between my legs he would move his tongue upwards. It was torture but it was horny torture. "Lick my clit!" I demanded and his tongue slipped between my legs.

I started to moan in encouragement as Ryan's tongue moved backwards and forwards over my hot clit then slid along my pussy lips. He circled my hole and I felt the juices start to flow. Moaning louder, I desperately wanted to feel his tongue darting inside my pussy. "Inside. . . please," I sighed, slipping my hands behind his head to push his tongue deep inside me. When he finally licked inside my pussy I had to force myself not to come straight away. Going back to when we first met, Ryan had always given as good as he got when it came to oral sex, but he'd never teased me like this before.

Burying his face in my pussy, Ryan licked me deeply. I could feel his tongue circling my pussy and my juices flowing over it. I guess the taste made him even hornier because suddenly he started to lick at a terrific rate. He placed one finger on my clit and started to rub it frantically while he lapped away at my pussy walls. Raising my hips, I came and started to writhe, pinned down under his tongue and drowning in ecstasy.

Quest: *Did your boyfriend tell you how he felt after finding out your secret?*

Miss S: Not until later, no, but he showed me how horny it made him. After I'd recovered from his tongue lashing, I sat on the edge of the bed, spread my legs, and demanded he fucked me. Straddling his legs, Ryan sat on top then thrust his cock inside me. I don't think I have ever been as wet as when he started to fuck me then. Just like when he was busy licking, Ryan teased me, keeping to a steady rhythm, stifling any complaints I may have had by placing his lips against mine. We rocked backwards and forwards on the edge of the bed until Ryan started to slide down my thighs.

Giggling, I reached round to grab his bum-cheeks and lifted him towards me. When I hoisted him up my thighs his cock plunged into my pussy, and I gasped as I felt my fanny being filled to the brim. After another few thrusts Ryan started to slide again, and I giggled then gasped as he wrapped his thighs around my waist and thrust into me. Then I realised that I was enjoying sex more than ever before. It had been a bit of a chore before. In fact, I'd only really done it to keep Ryan happy. Now that I'd taken the initiative and showed Ryan what I liked, I felt amazingly sexy. And I couldn't believe it was so much fun. So I took the bull by the horns, as it were, and made a suggestion.

"Why don't we stand up?" I said. Ryan looked surprised then grinned, and we stood up without missing a stroke. Deep inside my pussy, I could feel all the veins on his cock throbbing, and I started to moan. He leaned forward and took one of my nipples in his mouth, licking until I felt it harden in response. Every breath I took came out in sudden gasps and my boobs started to jiggle in Ryan's face. Despite this distraction he kept to a steady rhythm, slowing a little when I squeezed his arse and wrapped a leg around his thighs to draw his cock further into me. My own thighs started to twitch and I knew that I would come with a few more strokes. I bit my lip and clenched my pussy walls around Ryan's cock and we both came, clinging together to stay upright. The orgasm shook my body as Ryan shot his load deep inside me. Then he pulled his cock out and we collapsed in a come-soaked heap on the bedroom carpet.

Quest: *Has your boyfriend seen any more of your underwear collection?*

Miss S: Yes, he's seen the complete collection. Although he doesn't like everything I've bought he loves anything rubbery and rude, and he loves the effect it's had on our sex life. We experiment far more than we used to, and I'd say that it's down to telling each other what we want in bed. Only last week I gave him a lengthy tit wank. I was happy to oblige, but now he wants them all the time. I've discovered that I love shagging in different positions, and watching us shagging in a mirror is good too, seeing his cock slide in and out nearly sends me off my head. Yes, the miserable days when I used to call him Ryan Ferry because all he did was roll on and roll off are long gone.

Town of Origin: Epsom
Other Details: Unknown to friends and colleagues, this efficient business woman takes her job seriously and provides a thorough service.

Quest: *You say that you enjoy leading what might be termed a double life?*

Miss P: I love it. I love being a secret slut. I get such a kick out of everyone thinking I'm a respectable business woman while I've got my mouth wrapped round a stranger's cock Ever since I inherited the conference centre, which I manage as well, I've turned into a complete floozie. Basically, I love sex and want it as often as possible. Luckily I've got the perfect job for it.

Quest: *Have you ever had sex while engaged in business?*

Miss P: Yes. If I couldn't shag as part of my job I wouldn't bother coming in every morning. My office over looks the car park so I can see everyone who comes in, and if a client looks sexy then I'll march in and offer to personally oversee all the conference arrangements. As I own the company, they're usually quite flattered I'm taking an interest and my assistants can't say anything. I know it's taking advantage of my position but so what? If I need sex, then I need sex.

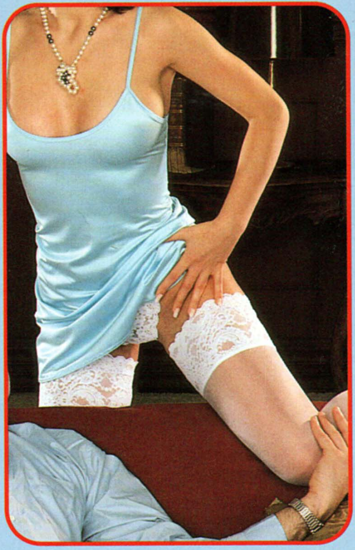
"His eager fingers explored my dripping muff"

Only last month a business man came in who I ended up shagging. As soon as I saw him I said to myself, "Right. You've got my name written all over your cock." It wasn't just that he was gorgeous, I hadn't pulled anyone for nearly two weeks. My knickers were soaking and I was dying to feel a stiff cock slipping into my pussy. So I introduced myself. He was called Simon and he wanted a quick tour of the facilities. "I'm sure you'll like what you see," I said, looking him in the eye a couple of seconds longer than was strictly necessary to see if he would respond. He smiled and held my gaze. If he'd have turned away then I'd have left him to one of the assistants. When a shag isn't on the cards I see little point in doing any work, but this looked fairly hopeful.

We walked down the corridor to the main conference rooms. I took my jacket off so Simon could get a good view of my boobs swaying against one of the flimsy blouses I usually wear when trying to pull. I was so horny that my nipples stood out. Simon's mouth fell open when he saw them but I just smiled and he didn't say anything. I wanted to keep him guessing a little while longer. On reaching the rooms, I started to show him round, rattling off the usual spiel about how long the rooms are, what facilities are on offer and so on. Every time I made a reference to the room's size I looked pointedly at his crotch. Yes, I know it sounds ridiculous but it works nearly every time. It's amazing what the combination of high heels, a severe suit and some saucy talk can do to a man. Simon was getting very turned on, judging by the way his cock was prodding at his trousers.

Quest: *Did you manage to persuade this client to have sex with you?*

Miss P: On reaching the main board room, I sat on the edge of the table and read Simon the usual waffle while slowly crossing and uncrossing my legs and giving his packet a series of quick glances. Then I made my move. "If you'd like to sit down, I'll tell you about the other executive facilities we offer, " I said. He sat beside me about as close you can get, then started to kiss me. "There's something you've not shown me yet," he said. "Oh," I enquired, "and what would that be?"



Placing a hand on my knee and stroking my thigh, Simon didn't bother to reply. I pushed my face against his and started to kiss him deeply as one hand started to roam across his muscular chest. I've often felt that when it comes to foreplay, there's nothing quite like a good snog. Too many men just whip their kit off and expect you to give them ten minutes of hard banging and screaming before they dash off to the next pair of tits that points their way. I mean, haven't they heard of sensuality? Give me the man who'll take his time and dampens my pussy with long, lingering kisses, making sure I'm hot and horny before he takes things further, any day. If a man's good with his mouth then he'll normally be even better at handling his cock.

Quest: *Did you discover whether this was the case with your client?*

Miss P: Oh yes, things had gone so far that nothing would have stopped us making ample use of the conference table. I love the thrill of shagging at work without anyone knowing. The feeling that I could be found out any minute turns me on, and I was determined to enjoy myself. I kept kissing Simon, pushing my tongue against his as he stroked my thighs. He was working his way up between my legs so slowly that I was dripping with excitement, but he soon got to the point when he realised that under my dull, tailored skirt lurked a pair of stockings and suspenders. His hand shot upwards and collided with a wet muff. As he started to explore it with the tips of his fingers, I pushed my pussy towards his hands to encourage him. My pussy was so wet that it soaked his hand as he slipped two fingers inside and started to rub.

"I want your cock," I said, tormented by the action of his fingers and the way his hand brushed my inner thighs. Heat flooded my pussy and I reached forward, unbuckled his trousers and pulled them down to reveal a stiff cock. Simon withdrew his fingers and aimed his cock at my hole. Then he started to rub his bell-end along the length of my pussy, just brushing my clit, until I was on the verge of begging for him to shag me. Still, I've never had to beg for sex and didn't intend to now, so I bit my lip and endured his teasing.

I didn't have to endure it for long. Simon thrust his way inside me with delicious strokes, and I opened my legs wider to draw him in. He started to pump away, using one deep stroke to one shallow. As I'd guessed from his kissing, he certainly knew how to use his cock. I let my hands wander across his chest and he increased the pace slightly, slipping his cock in slowly then finishing off the stroke with a quick jerk. My clit was swelling each time he rubbed his balls across it. Actually, I'd say that there was little to chose between my clit and his cock in the throbbing stakes. Thanks to Simon's expert shagging, I was ready to come far sooner than usual. He gave an extra deep thrust which brought me to a climax. My orgasm was short and intense. I shook all over but Simon showed incredible self-control. I never did find out how many women he'd shagged (it's not the sort of thing you ask after you've just been treated to a brilliant bout of sex by a virtual stranger, is it?) but he showed plenty of experience. He kept pumping away until his cock seemed to grow inside me and he tensed then climaxed, filling my pussy with his spunk so I came again with an orgasm just as intense as the first. Then I adjusted my skirt and carried on showing Simon the facilities. I don't know if it was due to the shag, or whether he liked the place anyway, but I sold a three day conference for thirty!

Quest: *Have you ever been caught having sex while at work?*

Miss P: No, I take care to make sure that my staff are fully occupied and won't interrupt me when I spread my legs. And I make sure I don't leave my pubes lying around in the overnight rooms to stop the chamber maids getting suspicious. I have been caught tossing off someone's boyfriend, though, which was rather embarrassing at first. Later on, it all got rather kinky.

Quest: *Could you describe exactly how this happened?*

Miss P: I was bored with sitting in my office staring at the accounts one day, so I wandered into the main area to see how things were going. One of my assistants introduced me to a couple, Adam and Miranda, who owned a small marketing company and were considering holding a conference. Adam was just my type, tall, blonde, obviously took care of himself, but he was just as obviously attached so I thought I'd better keep my hands off him. How could I have known that he had other ideas?

When we got to the hotel block, Miranda said hello to the receptionist who was apparently an ex-college friend. They were busy catching up on old times so Adam shrugged his shoulders and said, "She'll be ages talking. Why don't you start showing me around?" Once inside, he kept brushing his crotch against me each time we squeezed in and out of a door way. I was wet between the legs with horniness, dying to throw myself at him, but I kept telling myself that he was off limits. I tried to keep to my sales patter but I stammered every time I caught sight of Adam's bulge. Finally, when we were in an en-suite bathroom, he said. "We've got plenty of time, you know. Once Miranda gets talking she never stops. We might as well have some fun." and swiftly dropped his trousers to emphasise the point.

"Why not," I agreed, staring at his huge cock. I know, probably better than anyone, that sex sells so I thought I'd try to boost bookings, boost my profit margin, and have good shag on the quiet. Sitting on the side of the bath and wrapping my fingers around his throbbing cock, I started to wank Adam with long, smooth strokes. With the other hand I gently scratched his balls with my nails and he pushed his crotch towards me until I was wanking his cock from the base to the tip. I had just spread my legs and was about to lower my lips onto Adam's lovely thick cock when disaster struck. Miranda walked in.

Quest: *How did you deal with this unfortunate situation?*

Miss P: What can you say to someone when you've got their boyfriend's cock in your hand? I couldn't look at her, couldn't look at him, couldn't think what to do. Then I heard her laugh. "Nice to see someone enjoying their work," giggled Miranda. I was amazed. Most girls would have knocked me out cold just for kissing their man on the cheek. I was even more surprised when she said that if I wanted to shag Adam, she would love to watch. I thought it was all a bit kinky but I said "okay," and laid down on the floor with my legs drawn up towards my chin, exposing a glistening pussy. Miranda pulled down the toilet seat, pulled down her knickers and stuck her hand up her skirt. I watched in amazement as she thrust two fingers into her pussy and the juices started to flood out as she wanked away.

I was feeling pretty horny myself as I stared at Adam's huge cock and trembled in anticipation of it filling my pussy. He thrust it deep inside me with one quick stroke. I wouldn't say he was as accomplished or sensual as Simon had been but he was big. I had to lift my legs higher to draw the whole of Adam's massive cock into my pussy. I felt my pussy walls stretch around this lovely hard cock as Adam thrust away, buffing my clit with one finger until I feel like I was going to explode. As our shagging became more frenzied, I could see Miranda matching our movements, rubbing away at her clit until her fingers were a blur. I've never had someone watching me perform before but I found it surprisingly satisfying. The faster we shagged, the harder she rubbed her clit and the faster she plunged two fingers in and out of her hole.

The rate we were all going, I guessed it wouldn't be too long before either Miranda or I came. Adam's fingers working my clit made me shiver and I came, setting Miranda off. Her eyes were still tightly closed and her fingers still rubbed her clit as her juices dribbled out and ran over her thighs. Glancing at his girlfriend, Adam came then withdrew, spurting his spunk over her pussy. She rubbed it in and came again straight away, then licked her fingers clean.

After we had recovered, Miranda and Adam decided that the weren't sure if the centre was what they were looking for. But they asked if I'd like to show them around again, as all facilities had not been covered in such a short time. I'll be showing them the best I have to offer next week I'd better check that none of the staff are hanging around first!

Derek Williams
Manager

P.S. If you have any really special requests please mention them, we will do our utmost to be of assistance.
P.P.S. Try us - you'll soon learn to depend on us and remember my personal motto:
"Actions speak louder than words"

Video 1: Shelly - Featuring a 26 year old single mum, 5'3" tall, short blonde hair, big tits, nice pussy, name of Shelly. She answered an advertisement written on the wall of the ladies toilet cubicle in a railway station. The handwritten note offered accommodation in return for companionship and light duties. Shelly couldn't believe her luck, she rang the number and immediately went round, took the room but did not realise what was wanted from her side of the bargain (once a week sex with the landlord). In this video we watch as Shelly makes the ultimate sacrifice, she can hardly bring herself to do it but unless she f**ks him she's out. The landlord says "pull up your dress, drop your drawers and do it with me!" She sits on his crotch and he tries to manoeuvre himself up her, but she's too dry. He pulls her towards his mouth and licks her , using plenty of spit to get her wet. She tries again and he's in first time, they do it, she enjoys it and comes back for more- it goes on from there. **The Video's yours for only £18.95.**

Video 2: Claudia the Student Slapper - A shy reserved girl from a strict West Indian chapel background, Claudia throws off the shackles of her upbringing when she gets to University. Every time she goes out for a drink with the rest of her crowd - she's anybody's. Well, it wasn't long before her easy access through drink led her to our doorstep and the world of hard core videos.

That's why we had to give her a couple of stiff ones before we started making this one. Now, she was very willing and cooperative in every way but I've never seen a girl used like this before. She just laid there and let it happen. This certainly seemed to turn on the male model, who used her in every way, even her mouth and then let it splatter all over her pretty impassive black face. Do me a favour, once you've enjoyed seeing Claudia get bonked, let me know if you think she really enjoys nookie - I'd value your comments. **You can have Claudia on Video for only £18.95**

Video 3: Shunta - If you're turned on by Pakistani women this is the video for you - real Asian sex. Shunta is married with four children (witness the stretch marks for yourself). It could be why she's able to take the really big guys without even wincing. For hard cash she will do whatever someone asks, especially when it comes to sex - that's how she gets her kicks. Yes, this Pakistani lady s**ks and f**ks allowing up to 3 men to make full use of her body and loving it. She insists on them wearing a condom, but you'll soon see them being whipped off along with her Sari and they spray all over her which she promptly rubs into her skin. On this video, you can witness Shunta being given a good seeing to by her 'new white men friends', listen to her pant and groan as she is serviced by three men at a time, one right inside her, one orally and one receiving manual relief. This is a must for all Pakistani women fanciers, more power to Shunta's elbow (and other parts). Shunta we love you...!
So can you when you get the Shunta Video for just £18.95.

Video 4: Maureen the Nurse - Yes, Maureen's a nurse, and we all know about Nurses. Like the rest of her profession, she is woefully underpaid and... you guessed it, she supplements her wages with bits of paid video nookie. She has a terrific pair of boobs and she made a great f**k video - if you're into nurses, you're in for a treat. Just seeing her move her body is a wonderful experience, never mind all the other things she does with it. She gives terrific head on 8" of Robin's meat and 4" of his girth. If you like seeing oversized members dipping into young women and their eager mouths, this is the video you've been looking for. Seeing this lovely, bubbly little nurse get it from a total stranger is such a turn on. She is done in every conceivable position and the Stud goes into a complete frenzy as he gropes for her every orifice. It's all true, Nurses like a bit of fun - and best of all, they're very clean! Judge for yourself, when you see this video. **Maureen the Nurse can be all yours on Video at just £18.95.**

I don't know how I managed it, but we now have a deal which means that you can also buy these Videos from the following shops. You are welcome to call Mon.-Sat. 9.30 -6pm Fri. 8pm.

I chanced on her shoes. "They look very nice," I suggested.

"Not the shoes, my fanny," she retorted. "I shaved it freshly this morning. And I've had my eye on you for ages."

I was amazed. It was a good thing no one else was on the shop floor, not even the manager, since I was redder than the Liverpool kit, but very excited. "That's nice too," I agreed.

She laughed and leaned right back in the chair, pulling up her skirt to uncover her pussy, and what a beauty it was. Bald as a coot, with the lips well parted, and glistening with moisture. She sighed as I put my head between her thighs and prepared to go muff-diving. I started to lap at her juices, my tongue flicking over her clit with slow licks. She was moaning with pleasure, and the taste of her cunt was beautiful.

I couldn't stand it any longer. I was desperate to slip my tool between her pussy lips and fuck her senseless, so I withdrew, gasping "hang on a minute", and turned the door sign to closed. Then I took my new-found babe by the hand and led her into the stockroom. She laid on the carpet and I kneeled on top of her, poised to shove my throbbing cock up her fanny.

"Fuck me now!" she yelled as I started to tease her pussy lips with the tip of my cock. She begged me to enter her and, after seeing those juicy pussy lips, it wasn't long before her pleading worked and I thrust inside her. She sat up and rode my cock eagerly. I slipped one hand under her top and started to fondle her breasts. They were warm and firm with nipples that responded instantly. Impaled on my cock, she began to moan softly. "Make me come," she said breathlessly, her boobs jiggling under my touch. I thrust harder into her and started to work her clit, rubbing it gently. She climaxed instantly, eyes shut tight, still riding me as hard as she could. I felt my cock grow and throb inside her, and out shot a sticky stream of spunk as I came.

I wanted to spend the rest of the afternoon giving her service

giving her the attention she needs." Mike and the other bloke fell about laughing. I felt sick but listened on regardless as he described how Patsy had given him a tit wank, then he'd shagged her hard. And when he came, shooting spunk over my girl's tits until it dripped off her nipples, Patsy pleaded with him to fill her mouth with come. It was only when Mike finished that I realised I had a major stiffy, so I resisted the urge to punch his lights out and headed for home to confront my girlfriend.

I dashed in and shouted, "How come you fucked that sleazeball?" to my very surprised Patsy. "Well, you shagged that little tart who works under you in more ways than one!" she shouted back. Oh shit. I thought I could trust my work colleagues not to tell her about the secretary I'd kept up a two year affair with. "Think I'm not up to it, do you?" said Patsy.

Suddenly, she started to fling off her clothes. She was in such a hurry that her knickers were ripped to shreds. I was amazed but very excited. Patsy was normally so passive. "Come on, then!" she said, bending over the kitchen table and shoving her pussy in my face. "Fuck me like I need to be fucked." I didn't need telling twice. I dropped my trousers and rammed my cock into her pussy. It was soaking wet and clamped around my throbbing cock as I thrust in and out as hard as I could. "Harder!" screamed Patsy. I redoubled my efforts, slamming into her as hard as I could. I couldn't believe what was going on. My girlfriend had suddenly turned into a brazen hussy and I was getting the fuck of my life.

Ramming into her until my balls hit her arse-cheeks, I knew that I couldn't hold back much longer. I'd never heard so much as peep out of Patsy during sex before, now she was screaming her head off as I placed my thumb against her clit and pressed hard. We came together, and she screamed once more as I pulled out and shot a load of spunk over her breasts.

That afternoon we tried more positions than we had ever tried in the past six years. When Patsy insisted on sitting on top of me and rode my cock, I couldn't believe my luck. After all this frantic screwing we cooled down with some slow, sensual sex on the sofa. We both confessed that we had only gone astray to get some hot, horny sex. Now we get it from each other, there's no need to play away. – Brian, South Wales

Again there is plenty of hard core action to keep you interested, plus an incredible foot masturbation scene. **A must for every serious submissive man and foot fancier.**

Pregnant Love £29.95

A SPECIALIST subject that attacts many thousands in the UK. Women in the full flush of pregnancy are seen by many as being at their most beautiful, sensual and sexual. This video explicitly explores many "Milking Maids" in wide ranging sexual acts in intimate explicit close-up and slow motion. **Not just a horny experience but also an unusual, beautiful and moving one.**

[redacted] *Love Farm £29.95*

THIS video has changed hands for over £150 in Soho. We cannot describe its hard action contents fully here, but we believe the title says it all. This video is the only one of its type available in Britain today that we know of. If this subject is your thing, you will never see a harder, more explicit example of this exciting sexual topic — **only for the most unshockable viewer. It's unbeatable.**

Granny Sex £24.95

HARD, explicit and graphic. Women over 40, and 50 and even over 60! Some are fat, some are thin, all are experienced and dirty. The sex is incredible, full sex, A and O with plenty of splash — loads of old fashioned underwear (including corsets and directoire knickers). **These are the horniest grannies in Europe and they're out to prove it! They've had years of sexual experience.**

Female Shaving £24.95

A VERY popular fetish is the bald beaver, and yet this is the only video we've found with true close-up and variant clipping and shaving action. The girls do it to themselves, to each other and also the blokes get a go. **Just for good measure it ends up with a truly explicit close-up shaven shafting extravaganza. Truly magnificent hairless muffs as smooth and hairless as a billiard ball.**

Lady's Doctor £24.95

AGAIN we can't go into much detail in this magazine, but we all know what we're talking about here. We have sold this very specialist film for £200 in Soho and Amsterdam. Do not buy this video unless you know just what to expect from the ultimate adult, games of doctors and nurses. **This video was intended to shock — and it does! It won't be around for long — buy it today!**

Each girl has sex with both men & we see it all – in 100% guaranteed 'in-out' close-up. See the men with their faces between white thighs – Licking white girls' cunny 'till it drips. Plenty of spunking scenes. Vicki (18) & Natalie had never had a black man before today – Now they've had two. – Natalie's boyfriend (Gary) watched her sex take place – After Winston & Shaun finish with her (she's lying there – tired – with her thick black tights torn around the vagina – ready for sex) – He takes his turn, he's very excited & climaxes over her young face in under 5 minutes. Mandy (18) works in a massage parlour & has had sex/masturbation with many black men. The 3 girls are used like whores for hard sex. Lots of oral action – pretty faces & blond hair – & great big black dicks deep in their mouths. Both men screw each girls mouth in turn to climax – in their mouths or over their face & tities.
